# Clinical Cases in Cardiology

## Presented by:

**Dr Sameer Karve**  
Cardiologist

**Dr Alex Elder**  
Cardiologist

Local cardiologists Dr Sameer Karve and Dr Alex Elder will discuss the management and monitoring of common cardiology presentations to general practice, and referral pathways to testing & specialist review within the local health district.

## Program

**6.30pm** Registration, networking and light refreshments

**6.55pm** Acknowledgement of Country & Introductions

**7.00pm** Education session

**7.45pm** Q&A

**8.00pm** Close

## Learning Outcomes

By the end of this education activity, GPs will be able to:

1. Apply an approach to the diagnosis of common cardiology presentations in General Practice
2. Outline referral pathways to testing and specialist review in the WNSWLHD
3. Determine appropriate management and monitoring of established cardiac conditions in General Practice
