WNSWLHD ADHD & Behavioural Management Pilot and Co Management Support

Presented by

Dr Natalie Silove

A/Prof, Head Dept Child Development Unit Children's Hospital Westmead

Dr Amelia Lee

Staff Specialist Children's Hospital Westmead, ADHD and Behaviour Management Service of WNSWLHD.

This face to face session will provide education around the assessment, diagnosis, and management of ADHD with a particular focus on GP co-management of ADHD, along with locally lead discussions around the new model and safe scripts for GP's.

Program

6.30pm Registration, networking and light refreshments

6.50 Welcome, Acknowledgement of Country & Introduction

7.00-7.10 Service update

7.10-7.40 ADHD Education session (Natalie/Amelia)

7.40-7.50 Assessment overview (Stacey Theocharous)

7.50-8.05 Safe scripts (Dr Ai-Vee Chua)

8.05-8.30 Q&A and close

Learning outcomes

1. Gain an understanding of the assessment process and diagnosis of ADHD.
2. Understand the management of ADHD and its common comorbidities.
3. Gain confidence in the co-management of ADHD, e.g. the prescription of pharmacological therapies.
4. Update on new model of care in WNSW
