Don't miss out on
this free event.

Through a series of interactive workshops led by experienced medical presenters, you'll gain practical tips on maintaining wellbeing and rediscovering the joy in your professional life.

You'll also connect with colleagues with similar experiences, including Lismore doctors who endured the Northern Rivers floods.

This event aims to foster a sense of community and support among medical professionals, providing practical tools and insights for staying resilient and connected.

This is a FREE ticketed event run by the Medical Benevolent Association of NSW-ACT, and funded by the NSW State Government.
