

Reigniting Employee Engagement-

Connecting purpose and passion to create a culture of engagement and excellence

Virtual Workshop

Are you struggling to recruit or retain staff? Are your employees feeling burnt out or unmotivated? Do your employee engagement surveys indicate concerns with engagement and satisfaction?

In the healthcare industry engaged employees are critical to providing high-quality, safe care that meets our patient expectations. Now more than ever it is important that we as leaders are creating a workplace where our staff feel supported, valued and committed.

This practical, virtual workshop will support you as a leader to:

- Reignite your staff's purpose and passion
- Implement practical strategies to improve engagement and satisfaction
- Harness improvement and innovation
- Improve outcomes and performance
- Create a great place to work!

Sharpening Your Leadership Skills Workshops

Whether you are an emerging, new or experienced leader, our virtual workshops will equip you with the knowledge and practical tools to enhance your leadership capacity and capability.
