

## Referral framework

All referral letters will be triaged by Dr Bala Indrajit

Complete information provided on referral letters will facilitate appropriate triage and allocation of appointments. Incomplete information may lead to delayed appointments.

If there are more immediate concerns, please phone 6881 6715 to speak with a urologist

### Send referral...

Via Argus to [596055@argus.net.au](mailto:596055@argus.net.au).

If unable to access Argus, please fax to 6881 6810.
