Other information

Our 5 Paediatricians provide comprehensive inpatient and outpatient service within Western NSW Local Health District.

Dr Mariano, Dr Fitzgerald, Dr Askwith, Dr Immi Fabros and Dr Rochelle Javier are resident full time in Dubbo and are employed by Dubbo Health Service with offices at the Dubbo Health Service located at 170 Myall Street, Dubbo. Our administrative staff Hayley, Danielle, Stacey, Jos and Kate are there to assist with further enquiries.

They are happy to receive referrals to review patients in Dubbo, but also provide outreach services to smaller towns to reduce the burden of travelling for patients and family. All clinics are Medicare Bulk Billed within the public hospital system.

Clinicians will see children up until the age of 16.
