A practical approach to the medical management of ADHD and comorbidities in general practice

Presenter

Dr Natalie Silove

A/Prof, Head Dept Child Development Unit, Children's Hospital Westmead

Co-presenters

Antoinette Hodge

Snr Clinical Neuropsychologist, Children's Hospital Westmead

Dr Ai-Vee Chua

GP

The demand for paediatric ADHD services has continued to increase in the context of limited paediatric services, especially in rural settings. Rural GPs play a critical role in the recognition of ADHD and continuing care through the co-management of ADHD.

This education session will provide education around the titration of medications used in the management of ADHD and common co-morbidities in a general practice setting.

Program

6.30pm Registration/light refreshments (*provided*)

6.55pm Welcome & Acknowledgement of Country

7.00pm **Service update**

7.05pm **ADHD education session** (Dr Natalie Silove)

8.00pm **New reforms** (Dr Ai-Vee Chua)

8.15pm Q&A and interactive discussion

8.25pm Evaluation

8.30pm Close

Learning Outcomes

- Discuss the management strategies for ADHD and its common comorbidities
- Outline the prescription of pharmacological therapies in the treatment of ADHD
