

TYPE 2 DIABETES MASTERCLASS

Saturday, 13 June 2026

Savannah Room, Taronga Western Plains Zoo, Dubbo | 8.30am to 4.30pm

A unique multidisciplinary educational opportunity focusing on type 2 diabetes in Western NSW.

This event is designed for professionals working in the care of patients with type 2 diabetes across our area, including: General Practitioners, GP Registrars, Practice Nurses, Diabetes Educators, Allied Health Professionals, Nurse Practitioners, Nurses (outside general practice), Aboriginal Health Practitioners, Aboriginal Health Workers, Medical Practice Assistants, Pharmacists, Specialists and Optometrists. We also welcome attendance by other medical practitioners with an interest in diabetes.

This **free** event is brought to you by the **Care Partnership – Diabetes** program along with Western Sydney Diabetes and MetaDiab, and supported by industry sponsorship from Abbott, Lilly, Dexcom and Sanofi.

The Care Partnership – Diabetes program is a collaboration between the Western NSW Local Health District, the Far West Local Health District, the Western NSW Primary Health Network, and Rural Doctors Network.
