Antenatal & Gynaecology Service Update

Presenters

Dr Enoka Fernando

Obstetrician and Gynaecologist

Emma Ledbrook

Midwifery Educator

This activity supports GPs to provide evidence-based antenatal and gynaecological care. It focuses on identifying key antenatal tests and recommended timelines, understanding shared maternity care models and available modes of obstetric care, recognising referral pathways that support safe, coordinated antenatal and pregnancy care. The activity also covers use of the Adult General Gynaecology State-wide Referral Criteria to ensure timely, appropriate referral to gynaecology outpatient services.

Program

- 6.00pm** Registration/Light Refreshments (*provided*)
- 6.25pm** Welcome
- 6.30pm** Education Session
- 7.30pm** Q&A and Interactive discussion
- 8.00pm** Evaluation & Close

Learning Outcomes

1. Describe shared maternity care models and modes of obstetric care available
2. Identify key antenatal tests & recommended timelines
3. Outline use of the Adult General Gynaecology State-wide Referral Criteria in appropriate referral to gynaecology outpatient services
4. Identify referral pathways to support safe, coordinated antenatal and gynaecological care.
