Funny turns in childhood

Presenter

Dr John Lawson

Senior Paediatric Neurologist (B.Med, FRACP, PhD)
EvolveMed & Visiting Specialist to Macquarie Health Collective

Description

This practical, interactive education session, with case discussions, will support GPs to assess children presenting with 'funny turns'.

Dr Lawson will explore how to tell the difference between benign presentations and more serious conditions—using clinical assessment, appropriate investigations and recognition of key red flags.

Program

- 6.30pm** Registration/light refreshments (*provided*)
- 6.55pm** Welcome
- 7.00pm** Education session
- 8.00pm** Q&A and interactive discussion
- 8.25pm** Evaluation
- 8.30pm** Close

Learning Outcomes

- **Identify** common causes and key clinical features of 'funny turns' in children
- **Recognise** red flags for serious pathology versus benign presentations
- **Select** appropriate initial and avoid unnecessary testing in children with 'funny turns'
