Common gastroenterology problems in general practice

Presenter

Dr Ted Stoklosa

Gastroenterologist & Hepatologist

Dubbo Base Hospital, Dubbo Private Hospital, Mudgee Medical Centre & Mudgee Health Service

This education activity will use clinical cases and evidence-based discussion to explore common gastroenterology presentations in general practice. Participants will gain practical insights into assessing symptoms, selecting appropriate investigations, identifying red flags and navigating timely referral pathways within everyday primary care.

Program

- 6.30pm** Registration/light refreshments (*provided*)
- 6.55pm** Welcome
- 7.00pm** Education session
- 8.00pm** Q&A and interactive discussion
- 8.25pm** Evaluation
- 8.30pm** Close

Learning Outcomes

- Describe current evidence-based recommendations for colorectal cancer screening in general practice
- Outline a structured approach to the assessment and investigation of patients presenting with dysphagia
- Identify key clinical features, investigation findings and referral considerations for patients with suspected coeliac disease
